A. Discussion Item: Housing Insecurity Awareness

Our event is on November 17th! We need to decide what items we're ordering (hygiene, self-care, etc.) and how much of each.

Also, start working on graphic slides and brainstorming ideas for raising awareness.

B. Discussion Item: Potential initiatives to help support students with SNAP

With SNAP on pause, what initial steps can we take to better support students so they know what resources are currently available on campus, and do you have any ideas for how we can help students right now?

C. Discussion Item: Spartan speak their mind / Amplify Student Feedback

We'll discuss ways to encourage student participation in campus surveys and how we can use their feedback to better develop the Spartans Speak Their Mind series we're planning.

D. Discussion Item: End-of-Year Celebration

I was thinking of hosting a celebration at the end of the semester to give students a chance to reflect on the semester, talk about the resources they used, and share feedback. We could include activities like setting "New Year's resolutions" The goal would be to use student feedback to improve our programs and better support students next year.
